ASPEN SLIM DEALERSHIP PACKAGE KIT 1

ASPEN SLIM

PRODUCT CODE: ASPEN-SLIM-DP-KIT1

PRODUCT DESCRIPTION

The Aspen Slim Dealership Package – Kit 1 is a versatile wall display solution designed to enhance key areas throughout automotive dealerships. Featuring 6 Aspen Slim wall-mounted frames in three practical sizes, this package makes it easy to create a clean, coordinated look across showrooms, sales offices, service areas, customer lounges, and other customer-facing spaces.

Each frame is constructed with a durable 19mm wide silver anodized aluminum extrusion for a sleek, low-profile appearance. Vibrant dye-sublimated fabric graphics feature SEG finishing for a smooth, professional presentation and can be easily removed and replaced whenever promotions, vehicle models, branding, or messaging change. Frame hardware includes wall mounts for convenient installation.

The combination of 36" × 48", 24" × 36", and 18" × 24" frames provides the flexibility to display vehicle photography, dealership branding, promotional messaging, service information, and more throughout the dealership.

Kit Includes:

(2) 36" × 48" Aspen Slim Wall Mounted Frames
(2) 24" × 36" Aspen Slim Wall Mounted Frames
(2) 18" × 24" Aspen Slim Wall Mounted Frames

GRAPHIC MATERIAL

Stretch Fabric (FAB-STRETCH)
6.78 oz/yd^2
230 GSM
100% Polyester

GRAPHIC FINISHING

12mm x 3mm silicone beading is sewn around the perimeter of the fabric graphic (Silicone Edge Graphic - SEG). Silicone beading is hidden from view once installed. A pull tab is added to a bottom corner to help with graphic removal.

DISPLAY CONSTRUCTION

19mm wide silver anodized aluminum frame profile

SET UP INSTRUCTIONS

Corner Connector Installation

1. Align front lock plate with back pressure plate back to back
2. Slide the aligned pieces into the channel of the extrusion
3. Slide the adjacent extrusion onto the corner connector
4. Tighten screws with allen key
5. Repeat process for all sides

Wall Mount Installation

1. Screw 4 wall mounts to wall close enough for the threaded screw to be able to apply pressure to the frame
2. Use an allen key and tighten each screw apply pressure along each side of the frame
3. Install graphic
