

HOME GOODS BLANKETS

WHAT ARE HOME GOODS?

Home Goods is a new product category for WS Display. This product category will include products that are not display or tradeshow related and geared more towards everyday products customers would use at home. We will be initially launching Home Goods with two subcategories: **Blankets** and **Towels**, with other potential subcategories being added in the near future.

BLANKETS

We will be offering 3 styles of dye sublimated fabric blankets to start. SKUS will be listed below with more information on each listed on the following pages.

- **SKUS**
 - BLANKET-APPFUR-50X60-G
 - BLANKET-SHERPA-30X40-G
 - BLANKET-SHERPA-50X60-G
- We purchase the blanket blanks pre finished from our supplier and do not print roll to roll like our other dye sub products
 - Printed side of blanket blanks is white with back fabric color varying depending on style
- Available with single sided graphics only (no option to print on backside)
- Blanket sizing is set and cannot be custom ordered

SUBLIMATION PROCESS

1. Graphics are digitally printed onto rolls of transfer paper
2. The fabric blank (blanket/towel/etc) is loaded into sublimation calendar along with the printed transfer paper
3. As the stack of materials is fed through the machine the ink is transferred onto the fabric good with heat and pressure
4. Once the fabric blank (blanket/towel/etc) exits the machine it has been dye sublimated with the custom printed graphic.
