PRODUCT DESCRIPTION

Kickstart your modular frame inventory with the Modco Bulk Starter Pack! This convenient kit includes all the essential components you need to get your foot in the door with our custom modular frame system. Designed for versatility and ease of assembly, this starter pack offers the perfect foundation to build and expand your warehouse stock.

Inside, you'll find a selection of lightweight yet sturdy aluminum frames, doors, connectors, corner posts, and cover profiles - all needed to create your first seamless, reusable modular structure. Whether you're setting up for a trade show, event, or retail space, this kit simplifies the process so you can focus on creativity and customization. Additional frames, connectors, and accessories available!

With its easy assembly and all-inclusive design, this kit is ideal to start your own Modco inventory for your rental or sales needs.
