

CANVAS FRAMES

We offer elegant, modern and affordable canvas frames in 5 standard sizes to suit any situation. All of our canvas frame graphics are UV printed on high-quality fabric that is stretched over an MDF frame. Your wall art can be displayed in either portrait or landscape and each frame includes all necessary hardware to mount you artwork.

OVERVIEW

- Our canvas frames consist of UV Fabric material stretched over MDF frames. UV fabric is stapled to the backside of the frame to keep the material attached and taut on the frame.
 - MDF (Medium Density Fibreboard) is an engineered material made by breaking down hardwood or softwood residuals into fine particles, combining it with wax and a resin binder and applying high temperature and pressure.
 - MDF frames are made in house
- Frames can be displayed portrait or landscape
 - Includes hanging hardware to display in either orientation
 - Hanging hardware will be installed prior to shipping
- Graphic Packages only (no hardware only or graphic only options available)
- FREE SHIPPING (not One Choice or WS Prime)
- Custom sizes are possible on case by case basis

FRAME DETAILS

- Frame depth is 1.25" (all sizes)
- MDF thickness 0.75"
- Center support added to provide support on long sides of the frame
- Frames are produced in house
 - Cut from 4' x 8' sheets of MDF and assembled with staples
- Graphics are stapled to back edge of frame to keep graphic taut

TEMPLATE EXAMPLE

- Full color bleed needed to wrap frame is included on template
- Red line indicates the edge of the front of the frame where graphic will start to wrap to the sides and back of frame
 - Everything outside of the red line will be printed but not visible from the front
- This is a Quick Proof product
- The template can be rotated 90° to design for landscape but it must be uploaded as portrait due to our Quick Proof system limitations

BLUE AREA OUTSIDE OF RED LINE WILL PRINT BUT WILL WRAP TO THE SIDES/BACK OF FRAME
