

EZ Tube Tower 4ft x 16ft x 4ft

The EZ Tube Tower is a commanding display solution, measuring 4ft wide x 16ft high x 4ft deep, perfect for maximizing your brand visibility. Built with durable 30mm silver anodized aluminum tubing, the tower features push-button connections for quick, tool-free assembly.

Custom dye sublimated fabric graphics are finished in a sleek pillowcase style, easily sliding over the frame and zipping securely at the bottom for a seamless, professional appearance. The tower includes a convenient travel bag for easy transport and storage.

With options for size customization and its suitability for indoor environments, the EZ Tube Tower offers versatility and impact for trade shows, events, and retail displays.

HARDWARE PRODUCTION

- All EZ Tube Tower hardware is produced in house at our PFC location
- We are able to produce tube frames in house with 30mm, 34mm, and 43mm diameter tubing
- Our production process includes:
 - Tube cutting
 - 90° tube bending
 - Tube reducing/swaging (for tube connection)
 - Drilling/punching (for accessories and spring buttons)
 - Chamfering (cleaning up tube edges after cutting)

Custom sizing and configurations are available. Contact us for a custom quote.
