

EZ TUBE WATERFALL SHELVES

Elevate your display setup with the EZ Tube Waterfall Shelves, a versatile shelving solution designed to seamlessly integrate with your existing EZ Tube fabric frames. Constructed with durable 30mm silver anodized aluminum tubing, this shelving unit ensures stability and a sleek appearance. It features three sturdy acrylic shelves, each measuring 32" W x 10" D x 3/8" H, ideal for showcasing literature or lightweight products with a weight capacity of 10 lbs per shelf.

For a fully customized look, add the optional dye sublimated fabric graphic, which features pillowcase finishing with a zipper closure, making graphic installation and changes effortless. The EZ Tube Waterfall Shelves can be easily clipped onto your display, allowing you to place them at any preferred height on the front or back of your frame. With dimensions of 36" W x 90" H, it aligns perfectly with your EZ Tube displays.

The package includes a travel bag for easy storage and transport, ensuring that you can take your display to any event or trade show with ease.
