

15 ft. EZ TUBE® STRAIGHT

Introducing the 15ft EZ Tube Straight Tube Frame Display: a sleek, professional solution for showcasing your brand with effortless assembly and striking visual impact. Crafted from durable 43mm diameter silver aluminum tubing, this display exudes quality and durability. Efficiency meets ease with tool-free frame assembly and foot installation, facilitated by push spring button connections. Say goodbye to complicated setups and hello to seamless presentation.

Customization is at your fingertips with the option for dye sublimated fabric graphics, available in both single and double-sided configurations. Choose from blank white or black back fabric for single-sided graphics, ensuring your message stands out against a complementary backdrop. Designed for indoor environments, this display boasts dimensions of 180" W x 91" H or 120" H x 19.75" D, providing ample space to captivate your audience. Transport and protect your investment with the included Medium Hard Case (MHC), ensuring your display remains pristine between uses. Illuminate your brand with optional LED lights, effortlessly mounted atop the display to front-light your graphics, ensuring maximum visibility and impact.

Experience the seamless blend of functionality and aesthetics with the EZ Tube 15ft Straight Tube Frame Display—an essential tool for making your brand shine.
