

6 FT. EZ TUBE® TABLE TOP STRAIGHT

EZ TUBE DISPLAYS

PRODUCT CODE: EZT6STRTT

PRODUCT DESCRIPTION

Elevate your tabletop presentation with the 6ft EZ Tube® Table Top Straight Display, a sleek and portable solution designed to deliver high-impact branding in compact spaces. Engineered for ease of use and visual appeal, this display is ideal for trade shows, events, retail environments, and promotional setups.

Constructed with durable 30mm anodized silver aluminum tubing, the lightweight frame features a tool-free, push-button assembly, allowing for quick and effortless setup without the need for additional hardware. Its streamlined design maintains a clean, professional look that fits perfectly on standard 6ft tables.

The display utilizes pillowcase-style dye sublimated fabric graphics that stretch smoothly over the frame for a wrinkle-resistant, seamless finish. Choose between single-sided or double-sided graphic options to best suit your messaging needs. For single-sided configurations, a white or black back fabric is available to provide a clean, polished appearance from the rear.

Designed specifically to sit atop standard 6ft folding tables (72" L x 30" W x 29" H), the display measures 70" W x 60" H x 17.6" D, offering a strong visual presence without occupying additional floor space.

For added convenience, the display includes a compact travel bag, making transportation and storage simple and efficient.

DISPLAY DIMENSIONS	70" W x 60" H x 17.6" D
RECOMMENDED TABLE DIMENSIONS	72" L x 30" W x 29" H

GRAPHIC MATERIAL

- Stretch Fabric (FAB-STRETCH)
- Material weight 6.78 oz/yd² - 230 GSM
- Material composition - 100% Polyester
- Meets CA Title 19 Requirements

GRAPHIC FINISHING

Pillowcase graphic finishing with #10 zipper closure across the bottom of the graphic (zipper color will match single sided back fabric, double sided graphics always have white zippers)

DISPLAY CONSTRUCTION

Frame perimeter is constructed of 30mm anodized silver aluminum tubing with plastic corner connectors, and aluminum feet
