PRODUCT DESCRIPTION

Introducing the Skybox Hanging Banner Flat Panel – the ultimate solution for impactful and attention-grabbing signage at tradeshow, convention centers, warehouses, or any environment that demands prominent visual representation. Elevate your brand presence with these high-quality hanging banners designed for maximum visibility.

Key Features:

Sturdy Construction: Crafted with precision using 30mm aluminum tubing, the Skybox Hanging Banner ensures durability and longevity. The push spring button assembly allows for effortless tool-free setup, saving you time and effort.

Versatile Sizing Options: Tailor your display to fit any space with available widths of 8ft, 10ft, 15ft and 20ft, and heights ranging from 5ft to 8ft. Choose the dimensions that best suit your promotional needs and spatial requirements.

Double-Sided Impact: Make a lasting impression from all angles with double-sided dye-sublimated fabric graphics. Our Black & White material not only enhances color vibrancy but also features an integrated block out for a professional finish.

Hassle-Free Hanging: The hanging hardware, included with your purchase, ensures secure suspension from ceilings, rafters, or any suitable overhead structure. Effortlessly showcase your brand at eye-catching heights.

Convenient Storage and Transport: We understand the importance of mobility in the event industry. The Skybox Hanging Banner comes with a travel bag for easy storage and transport between events, ensuring your banner stays in pristine condition.

Customization Options: Tailor your banner to perfection with our custom sizing options. Whatever your display needs, we can accommodate them to create a one-of-a-kind promotional tool for your brand.

Why Choose Skybox Hanging Banner Flat Panel:

Visibility: Elevate your brand above the competition with large and eye-catching signage.

Quality Construction: Built with premium materials to withstand the rigors of frequent use.

Easy Setup: Streamlined assembly with push spring button technology for hassle-free installation.

Versatility: Suitable for a variety of environments, from tradeshow to warehouses.

Professional Graphics: Double-sided dye-sublimated graphics for a polished and impactful presentation.

Invest in the Skybox Hanging Banner Flat Panel for a dynamic and effective marketing tool that will set your brand apart. Make a statement at your next event with this versatile and attention-grabbing hanging banner.
