

Single Sided w/Black Trim

Double Sided w/White Trim

## PRODUCT DESCRIPTION

The ONE CHOICE® 10 ft. Tent Backwall w/ Window features a clear TPU window for increased visibility and light, paired with a vibrant dye-sublimated graphic on the lower half, available in single- or double-sided options. It attaches easily to most 10 ft. tent frames—plus the 10 ft. side of 15 ft. x 10 ft. and 20 ft. x 10 ft. frames—using Velcro straps along the top and sides, with no bottom rail required. Offered with black or white trim to match tent tops, this backwall provides a clean, professional branding upgrade; tent frames and tops are sold separately.

**NOTE:** Does NOT include canopy tent in package.

PRODUCT CODE: OC-CAS-10BW-WIN

## Set Up Instructions

Back Wall Top & Side Straps

1. Set up tent
2. Attach top straps of back wall to the horizontal "X Braces" of tent frame (See photo to left)
3. Once all top straps are connected to the frame, attach the straps on the left and right sides of the wall to the tent legs.
4. Make sure to remove back wall prior to collapsing frame for storage/transport.
