QSEG CHANGING ROOM 100 X 100

QSEG MODULAR SEG DISPLAY

PRODUCT CODE: QSEG-CR-100X100

INDOOR USE

INCLUDES 3 TRAVEL BAGS
1 BAG PER FRAME

PRODUCT DESCRIPTION

The QSEG Changing Room 100x100 creates a clean, professional private changing space for trade shows, retail environments, events, and temporary installations. The assembled room measures 39.37" W x 88.58" H x 39.37" D, or approximately 3.28' W x 7.38' H x 3.28' D.
The configuration consists of three QSEG-100x225 frames and includes a hanging rod with a curtain for convenient entry and privacy. Tool-free construction makes setup and breakdown quick and easy, while dye-sublimated fabric graphics with SEG finishing provide a smooth, tensioned appearance. Graphics are available single or double sided.
Each QSEG frame includes a travel bag for convenient transportation and compact storage between events. The modular QSEG system can also be incorporated into larger display layouts, and custom configurations are available to accommodate different spaces, layouts, and graphic requirements.

Please check your tradeshow guidelines to make sure this configuration conforms to the show regulations. If adjustments to the configuration are required to meet the show requirements please contact us

DISPLAY DIMENSIONS	39.37" W x 88.58" H x 39.37" D

GRAPHIC MATERIAL

Stretch Fabric (FAB-STRETCH)
6.78 oz/yd^2
230 GSM
100% Polyester

GRAPHIC FINISHING

12mm x 3mm silicone beading is sewn around the perimeter of the fabric graphic (Silicone Edge Graphic - SEG). Silicone beading is hidden from view once installed. A pull tab is added to a bottom corner to help with graphic removal.

DISPLAY CONSTRUCTION

40mm silver anodized aluminum extrusion frame with plastic components
