## PRODUCT DESCRIPTION

Replacement Travel Bag for Showbird 65 200x240, 300x240, 600x240, and 900x240 Frames (No Foam Insert Included)

The Showbird 65 Modular Lightbox Bag – 3M is a replacement soft travel bag designed specifically for the Showbird 65 200x240 and larger frames. Crafted from durable Oxford fabric, this lightweight and professional-grade bag offers a convenient way to transport or store your frame hardware.

### Key Features:

- Bag Inside Dimensions - 42.75" L x 18" W x 6.75" H
- Replacement Bag Only – Designed for use with Showbird 65 200x240mm and larger frames
- Oxford Fabric Construction – Durable and lightweight for repeated use
- Foam Insert Not Included – Designed for customers who already own the internal EPP foam insert or transport separately
- Essential for Backups or Component Replacements

Whether you're replacing a worn bag or need an extra for transport logistics, the Showbird 65 3M Modular Lightbox Bag is a dependable and professional solution for keeping your hardware protected on the go.
