SHOWBIRD 65 MODULAR LIGHTBOX

PRODUCT CODE: SB65-FOOT

## PRODUCT DESCRIPTION

Universal Replacement Base Support for Showbird 65 Frames

The Showbird 65 Modular Lightbox Foot is a single replacement base designed for use with all Showbird 65 Modular Lightbox frames, regardless of size or configuration. Built for stability and durability, this foot helps maintain the structural integrity and upright positioning of your display during use.

Whether you're replacing a lost or damaged component or building a custom setup, this universal foot ensures your frame stays secure and level on any trade show or retail floor.

Maintain the balance and professionalism of your modular lightbox display with the Showbird 65 Replacement Foot—a small but essential component for reliable performance.
