PRODUCT DESCRIPTION

Replacement LED Backlight Panel for 100x100 and Counter Frames

The SHOWBIRD 65 Modular Lightbox Light Panel – 100H is a direct replacement LED light panel designed specifically for Showbird 65 100x100mm frames and Showbird Counter (SB65-CNTR) configurations. This compact yet powerful panel restores the stunning visual illumination that makes the Showbird 65 system stand out.

Featuring integrated LED ladder lights pre-mounted on a blackout panel with SEG (Silicone Edge Graphic) finishing, this unit delivers bright, even backlighting that enhances the clarity and impact of your front-facing graphics.

Key Features:

- Replacement LED Light Panel for 100mm height Showbird 65 frames, including SB65-100x100 and SB65-CNTR (Counter) models
- Includes Blockout Panel with SEG Finishing – Ready to install into the inner SEG channel of your frame
- Integrated LED Ladder Lights – Provide bright, uniform illumination with efficient power consumption
- Quick and Easy Installation – Slides securely into the frame's light panel channel—no tools required
- Ideal Replacement for lost, damaged, or worn original light panels

Restore the brilliance of your compact lightbox setup with the Showbird 65 Light Panel – 100H, ensuring your modular display continues to perform with vibrant, professional-grade backlighting.
