

SHOWBIRD 65 MODULAR LIGHTBOXLIGHT PANEL 240H

SHOWBIRD 65 MODULAR LIGHTBOX
PRODUCT CODE: SB65-LP-240

PRODUCT DESCRIPTION

Replacement Backlit Panel for 240H Showbird 65 Frames
The Showbird 65 Modular Lightbox Light Panel Only – 240 is a direct replacement LED backlit panel designed for use with 240mm high Showbird 65 frames, including the SB65-100x240 and wider configurations. Ideal for users who have lost or damaged their original panel, this unit restores the lightbox’s stunning visual impact with vivid, edge-to-edge illumination.
This replacement includes a blackout panel finished with SEG (Silicone Edge Graphic) edges, embedded with high-efficiency LED ladder lights—delivering even, brilliant backlighting that enhances the clarity and vibrancy of your front graphic.

- Key Features:
- Includes Integrated LED Ladder Lights – Pre-installed onto a blackout SEG panel for seamless illumination
 - Designed for 240mm Height Showbird 65 Frames – Compatible with SB65-100x240 and all wider configurations
 - Perfect Replacement – Ideal for lost, worn, or damaged original light panels
 - Quick Install – Slides easily into the SEG inner channel with no tools required
 - Maintains Original Display Performance – Ensures your lightbox looks bright and professional

Restore your display’s brilliance with the Showbird 65 240H Light Panel Replacement—a reliable and convenient solution to keep your lightbox shining at its best.
