PRODUCT DESCRIPTION

The SEGO 3.3ft x 8ft Modular Lightbox Display combines sophistication with seamless functionality, making it a standout solution for high-impact visual displays in indoor environments. This expansive display is crafted with a robust, 120mm wide silver anodized aluminum extrusion profile, ensuring both stability and an elegant, modern aesthetic. The tool-free frame assembly simplifies setup, allowing for effortless installation at trade shows, retail spaces, and corporate events.

Featuring LED light strips mounted along the top and bottom, this display provides consistent, vibrant backlighting to enhance the custom dye-sublimated fabric graphics, finished with precision Silicone Edge Graphic (SEG) inserts. The SEGO display is modular by design, allowing it to be easily connected with other SEGO frames to create custom configurations that suit any space. For added convenience a travel bag is included for safe, organized transportation.

Bring your brand to life with the SEGO 3.3ft x 8ft Modular Lightbox Display — a professional, easy-to-assemble solution designed to captivate your audience.
